### **Information; Local Business Partnering with KCCB**

Partnering with the local business in the community that each one to adopt one month of projects, one project each weekend for that month, IE beautification, cleanups, recycling, and education. They will choose month and weekend where, when, and how they will be willing to do so. KCCB will then support their efforts with the necessary support and materials, social media, and awareness. In turn they will donate money to KCCB. Amount to be determined. This is on the agenda at our January 22 board meeting for planning and approval.
